Did you know that children between the ages of 3 and 9 should be getting 9 to 12 hours of sleep each night? This means they should be in bed by 8pm every night. Did you also know that if your child is responsible with chores at home, they will have a much easier transition while here at school? So the next time Junior complains about making his bed, picking up his clothes, taking his plate to the sink, and helping out around the house, remind him that this makes it easier for him at school. It's a fact that routines at home help your student learn systems that will serve them for life.

After Labor Day the “**Sign In Sheets**” will have a slightly different look to them. The safety of your children is of utmost importance to us. We have added a column where you need to write who the expected pickup person is going to be. If that information changes, call the office with the change. The office will confirm that it is truly you making the change by immediately calling you back on the number that we have on file in the office. When we have a substitute teacher in your child's classroom there will be a memo at the top of the “**Sign In Sheet**” that says: “We have a sub today.” Please have the pickup person stop by the office to pick up a release form before they go to the classroom to pick up your child.

Sunday, September 11, is **Grandparents' Day** and we will be having our Grandparents' Day Program at 9:30am here at Sunshine Community Church. Worship will be led by elementary students. Students are encouraged to show their grandparents their classroom and their displayed work. We are asking the classes to bring something for the refreshment table (fruit, veggies, cookies, finger sandwiches, bagels, and any finger food). Since it is the beginning of the football season, we invite you to wear your favorite team jersey. We will also remember the families affected by the tragedy that happened 10 years ago on 9/11/01.

Elementary  
Students' Art  
Class

Carol Ginty will be offering an extracurricular fine arts class. She will teach art twice a month from 1:30 to 3:00. The cost is \$15/month. The first art project will be creating a scarecrow. The September dates will be the 16th and the 23rd. You need to sign up with the office by Tuesday, September 7. You may either pay for the class or have it added to your bill.

Dads may not enter the girls' bathroom with their daughters. However, moms may go into the boys' bathroom. Parents, please teach your boys to urinate straight, keep it all in the bowl, and to put the lid up when they use the regular toilet.
